Carriage House Door
COMPANY

Sacramento, CA - Kansas City, KS - Old Fort, NC

Fire-Rated Customization

Quality Without Compromise

CarriageDoor.com

At Carriage House Door Company, we dedicate ourselves to crafting doors that are not only of unsurpassed beauty, but help to ensure the safety of homeowners as well.

We offer fire-rated custom garage doors that meet the guidelines established by the California Office of the State Fire Marshal.

Our doors are tested in accordance with the SFM Standard 12-7A-1 (Wildland-Urban Interface Code - WUI) for exterior wall siding and sheathing, and were found to successfully meet the conditions for specified acceptance.

Carriage House Fire-Rated Doors are available with the following:

Wood or Steel

Glass

Custom Designs

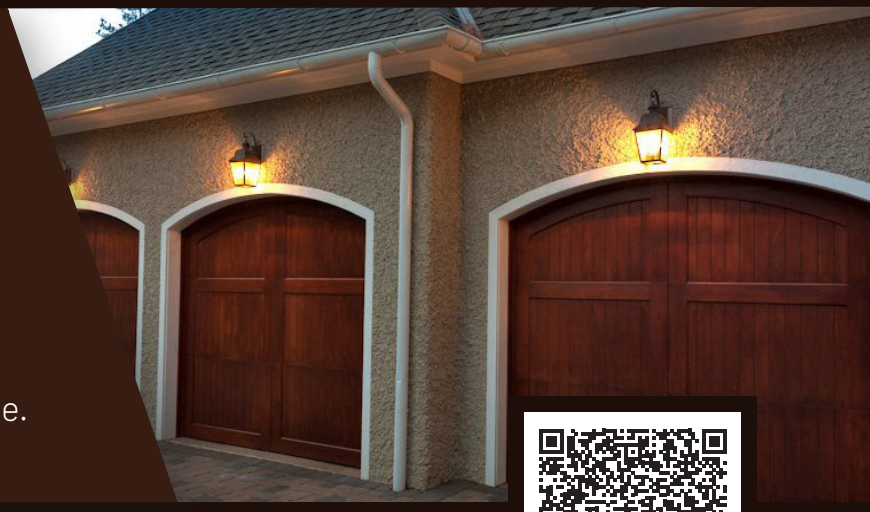
Hurricane Rated
Impact Resistant Doors

Quality Without Compromise

CarriageDoor.com

Carriage House Door is a blend of style and engineering that gives peace of mind when it's needed the most.

Our hurricane-rated garage doors were put through rigorous cyclical pressure testing that simulates the pressurization that can occur inside and outside of a house during a hurricane.



Carriage House Door wooden garage doors meet or exceed High-Velocity Hurricane Zone (HVHZ) Codes and are Florida Building Code Approved (FL 27482).

Carriage House Doors
don't compromise style for strength
